

## Homemade Jolly Rancher Lollipops

### Ingredients:

Jolly Rancher hard candies

(number will vary depending on how many you make)

lollipop sticks

(number will vary depending on how many you make)

parchment paper

cooking spray

### Directions:

- Preheat oven to 275 degrees F
- Line a cookie sheet with parchment paper and LIGHTLY spray parchment paper with cooking spray
- Unwrap Jolly Rancher candies
- Lay candy on the cookie sheet in groups of 2 or 3 so that the candies are touching
- Leave room between groups of candy for spreading and to add stick when they come out of oven
- Bake for about 7-8 minutes, keeping a close eye on them
- When you no longer see outline of rectangular candy shape they are ready to come out of oven
- Immediately add the lollipop stick, turning the stick once to coat with candy
- Let set at room temperature, without touching, for about 5 minutes until hardened
